A Relevant Ministry

Mark 16:15(NKJV)

“And He said to them, Go into all the world and preach the gospel to every creature.”

A Relevant Ministry is a group of people who truly want to feel Gods presence and are seeking after Him daily. We want more then the typical bible study. We will not be afraid to too tackle the tough issues that everyone wants to discuss.

We want to equip everyone especially young people with a weapon that can change the world, the living word of God, and make them radical disciples for Christ. Then send them out to equip others as well. We welcome all people from all churches around the area, and around the state to come together to make a real impact.

Join us Every 2nd Thursday at 7:00 – 9:00 pm
